Attached is our Letter of Protest in Docket 2012-177-WS. Tega Cay Water is just lining their pockets and not taking care of our water systems. Are they connected? They should not be able to raise our rates again.

Disgusted,

Diane E Davis

1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Customer-very dissatisfied customer.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

In 2010 we had a water leak that we fought 6 months with TCWS about. They would not allow us to move our water meter closer to where the water comes from our house. It cost us 7000<sup>00</sup> to fix. ~~through the process~~ People in Tega Cay are still having sewer problems so I would love to know where all the money TCWS efforts goes because they do not fix problems here.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*
